City Sky Walkway

City Sky Walkway

- Walking on height attached to highrise buildings
- giving highrise buildings an additional entry/exit
- Emergency exits in case of fire in highrise building
- Walkways contain plants and flowers (trees?) [Highparcs]
 - couches, tables
 - [Partially] covered, partially over water
- Partially underwater in places where water is clear
 - Partially through ground level parcs
 - [partially through ther trees]
 - Several entries/exits
